(608) 419-7883 | samvibhaw@gmail.com | www.linkedin.com/in/samvibhaw

SUMMARY

Results-driven Sales Leader with 6+ years driving revenue growth, pipeline development, and high-performing teams in fast-paced tech environments. Proven track record in full-cycle sales, Go-to-Market strategy, sales operations, and CRM optimization. MBA degree with a focus on Technology Strategy with experience across business development, customer success, and cross-functional leadership.

PROFESSIONAL EXPERIENCE

Creative Destruction Lab, Wisconsin - A multi-national objectives-based accelerator program for tech-startups

Intern - Venture Analyst

05/25 – 08/25

- Drove full-cycle outreach across email, LinkedIn, and direct channels to identify and qualify high-potential early-stage startups, leading discovery meetings with founders of 86 ventures.
- Closed 53 qualified founders across Risk and Health & Wellness verticals, evaluating product-market fit, traction, and growth readiness, directly contributing to shortlisting 20 ventures for CDL Wisconsin's 2025 cohort.
- Ranked #1 globally across 16 CDL locations and 23 program streams for highest volume of active venture evaluations, demonstrating elite pipeline management and deal velocity, and the hunter attitude.

Flyhomes - Seattle based tech-real estate startup

06/19 - 06/24

Sales Operations Manager

06/23 - 06/24

- Generated \$1.25M in average monthly revenue by managing and coaching a team of 8 (5 Client Success Specialists + 3 Senior reps), driving lead activation, sales execution, and client retention.
- Boosted lead-to-close conversion quality by 62% through deep-dive analysis of customer NPS, qualitative feedback, and funnel data; implemented GTM improvements in collaboration with marketing and growth teams.
- Accelerated onboarding and ramp-up by 53%, cutting the training period from 30 to 14 days via development of structured written and video training modules.
- Awarded 'Leadership Award' & 'Finding a Better Way Award' for measurable impact on team performance & sales culture.

Sr. Inside Sales Representative

06/22 - 06/23

- Spearheaded cross-border recruitment and onboarding of 14 Client Success Specialists into the US sales organization, scaling the team's capacity and performance.
- Converted 137 leads to active clients in Q1 2023, highest individual conversion volume in company history, and maintained top-performer status for 6 consecutive months.
- Led UAT and live rollout of Salesforce CRM through close collaboration with Product, Engineering, and Design teams, improving pipeline visibility and sales reporting.
- Increased CSAT by 36% by integrating Lumin.ai for intelligent customer outreach, reducing lag and improving engagement rates.

Inside Sales Representative

04/21 - 06/22

- Built and managed relationships with 750+ clients across the full sales cycle, from prospecting through post-close engagement, maintaining high retention and referral rates.
- Set a company-wide record by securing 92 new clients in 1 month; recognized with a performance award for sales excellence.

Sr. Operations Associate

01/21 - 04/21

- Designed an error resolution matrix to triage and prioritize ~21 urgent customer issues per month, improving SLA adherence.
- Led delivery of ~35% of US operations from India through cross-functional collaboration with the US tech and operations team, enabling 24/7 service continuity.
- Managed a team of 6 Operations Associates, overseeing daily performance, strategic projects, and process execution.

Operations Associate

06/19 - 01/21

- Delivered data-driven pricing reports that saved clients on average \$50,000 per transaction by enabling competitive offers.
- Increased team efficiency by 32% and reduced operational errors by 46% through targeted process improvement initiatives.
- Coordinated scheduling and deployment of 25+ field agents across 4 US states (WA, CA, MA, OR), optimizing resource allocation.
